

Help the SAN Celebrate 20 Years of Progress!

The Schuylkill Action Network (SAN) is celebrating 20 years of partnerships, restoration, and protection in the Schuylkill River Watershed. Over the past two decades the SAN has grown from a handful of partners to **over 300 organizational and individual partners** working together to improve water quality in the Schuylkill River watershed.

The SAN is a **nationally-recognized model source water protection collaborative**. The SAN's impact extends from the **headwaters in the Appalachian Mountains in Schuylkill County downstream to the City of Philadelphia**. In addition to over 1,000 email listserv members, the SAN boasts a following of **over 4,000** on Facebook, Instagram, Twitter, and LinkedIn.

To honor and build on the past two decades of progress, we're hosting a day-long workshop: **SAN Annual Meeting** on Thursday, November 2nd at Elmwood Park Zoo in Norristown. For more information on the great work we do, visit <https://www.schuylkillwaters.org/>.

Your support will make our 20-Year Anniversary event great and enable us to offer this event at **no cost** to participants. **Please help us reach our goal of raising \$7,500!**

Platinum (\$1,000+) – Benefits for platinum sponsors include:

- Acknowledgement during welcoming remarks at the SAN Annual Meeting
- All the benefits of the “Gold” sponsor level.

Gold (\$500) – Benefits for gold sponsors include:
