

PA Abandoned Mine Reclamation Community-based Watershed Organizations Webinar & Survey Kickoff

Wednesday, April 10, 2024 from 6:00 to 7:30 PM

Are you involved in abandoned mine reclamation projects in PA? Are you part of a watershed group, conservation district, conservancy, or other key partner? Then we need **your** help! Please join us to learn more about our study and the important role **YOU** play in its success.

Join us for a live, state-wide webinar to introduce our study aimed at seeking community input and historical information to:

-  Summarize the successes and what has been working for community-based watershed organizations (CWOs) in AML/AMD remediation.
-  Identify barriers that may prevent involvement of CWOs in AMD remediation.
-  Provide recommendations for changes to encourage further involvement of PA's CWOs.

Cost: FREE

Registration: Register at <https://www.eventbrite.com/e/pa-amr-community-based-watershed-organization-survey-kickoff-tickets-853828693607>
